

Features

U.R is an environmentally considered table system that is highly flexible and versatile. U.R provides a complete “family” of table product options allowing continuity of design throughout any commercial environment.

U.R has been designed with the environment in mind. Life Cycle Assessments were commissioned to determine the most appropriate materials to achieve the desired finishes. Components produced from materials such as die cast aluminium have been designed using Finite Element Analysis to ensure the strongest structure whilst eliminating excess material. U.R has been designed for 100% disassembly, ready for recycling.

Specifications

- Die cast aluminium frame
- Suitable for indoor use only
- Standard frame finishes include black or chrome legs with a polished foot
- Glides
- Recyclable

Dimensions

Height (mm): 720h

Round Tables
Size range (mm):
900- 1300dia
1400-2100dia

Square Tables
750-1000w x 750-1000d
1050-1800w x 1050-1800d

Large Tables
Size range (mm):
1200-2700w x 600-900d
1800- 4800w x 950-1300d
2400-6600w x 950-1300d

Boat Shape
Size range (mm):
2400-6900w x 1400-2100d

Multi Leg Rectangle
Size range (mm):
1200-2700w x 1150-2100d
1800-4800w x 1400-2100d
2400-6600w x 1400-2100d
3000-8400w x 1400-2100d

Options

- Available in a range of melteca, melamine or veneer surfaces
- Edging options available available in our current season powdercoat colours
- Optional custom frame colours
- Optional castors
