

Keystone Quad Pod Soft Seating

Features

Quad pod provides a private collaborative work space within the open office for two to four users. Comfortable seating and upholstered walls create an inviting space for private meetings. Sit across or alongside colleagues for meetings, brainstorming or breakouts. The free-standing unit can be placed anywhere in the office and can move to suit clients who require flexibility in their floor plate. Add computer monitors to create a perfect spot for multi-media presentations or video-conferencing.
