

Hush Booth

Work/ Meet/ Meet L / Open/ Phone

Collaborative Seating

Features

Hush is an acoustic solution created to work how you want – your way, a new space within an open plan office intended for informal meetings, mini conference spaces, a private space to work and converse in. Hush has addressed and eliminated the key issues (too many distractions, no privacy, no space where an employee can feel at ease) surrounding open plan office environments and has come up with a dynamic range of booths – Hush Phone & Work provides privacy & reduces distraction & noise within an open plan office environment, Hush Meet is a great way of aiding creativity and new ideas, Hush Meet Open creates a casual & friendly space for everyone, & Hush Meet L provides an acoustic meeting/conference space for up to 8 people.
