

# Nook Lounge Chair

## Features

Nook Lounge chair, by DeVorm is a generous and comfortable chair suitable for hotel lobbies, lounge zones and waiting areas. A cosy chair that is also suitable as a stylish element in office design. Thanks to the PET Felt technology, Nook offers a quiet place to work or read. Put a couple of them together and you can create a space to relax or mingle. The Nook PET Felt Lounge Chair is a true eye-catcher. This piece of office furniture is also highly customisable. There are endless bespoke options in shell & cushion upholstery, & custom frame colour options.
