

Mercedes Recliner

Features

Mercedes is designed for exceptional comfort with extra support for neck, shoulder and back. The chairs are available in four standard versions – a recliner, motorised recliner, 3D Motion mechanism that rocks, swivels and reclines and motorised Ezi-out recliner with a variety of features and options to customise the level of comfort you require. Extra high density seat foam, with moulded body foam on top with the upright non-sagging back. A high back and optional adjustable headrest provide the ultimate in comfort fine tuning.
