

## Features

The Dion series is altered with upholstery selections for the seat and wood veneer options for its backrest. The chair & stool can be fully upholstered with leather or fabric, or it can be partly wood veneered at the rear part of the backrest.

Connecting with the armrests on a single line, the frame gives the backrest a curvilinear form and eventually increases the comfort. Transitions of the flat surfaces to oval lines in legs, backrest and armrests, are the nuances that make this design unique.

## Specifications

- Sustainably sourced materials
- Stained solid wood frame
- Glides

## Dimensions

Chair with Arms  
Overall size (mm):  
550w x 545d x 775h  
Seat Height (mm):  
470h

No Arms  
Overall size (mm):  
470w x 545d x 775h  
Seat Height (mm):  
470h

Bar Stool  
Overall size (mm):  
475w x 525d x 1025h  
Seat height (mm):  
760h
