

Max & Max Tub Chair

Features

The Max seating range offers a complete family of seating designed to fit across a range of areas.

Featuring sled, 4-leg, timber leg, and 4-star swivel base, the contemporary aesthetics are perfect for meeting & break out spaces.

Available in various colour and upholstery options, the colour combinations can be toned up or down, and company colours can be utilised to be more prominent in the space. Subtle hues paired with loud hues can create a balanced and harmonious look to the space when smartly placed.

Specifications
