

Features

Camber is a modular furniture system that creates a unique and comfortable space in which to communicate and collaborate. The soft curved lines blend commercial needs with residential style. Camber is perfect for both public and office spaces, creating welcoming reception and waiting areas, breakout work or presentation zones, or a relaxing time-out spot.

Slide and lock the individually-mastered pieces together for endless configurations that create flexibility based around concave, convex, and straight modular units.

Screens are optional to add privacy and absorb sound. Ottomans and attached or freestanding tables are also available.

Specifications

- High-quality materials, commercialgrade foam and premium upholstery for long-lasting durability.
- Connectors allow units to be locked together in various configurations.
- Powdercoated metal leg fittings
- Natural wooden legs finish
- Made in New Zealand
- 5 Year warranty on frame
